

Welcome to Congregation Beth Shalom of Coconut Creek. An egalitarian synagogue, we seek to reflect the philosophy of the Conservative movement. This philosophy holds Judaism as a vital and dynamic faith, capable of lending meaning and direction to the life of the individual Jew while at the same time, making moral and spiritual contributions to the world.

If you are a visitor or guest, we hope you find our service meaningful and uplifting.

If you are unaffiliated and live in our community, we extend to you a heartfelt invitation to make ***Congregation Beth Shalom*** your spiritual home. If it's your first time here, please introduce yourself to our Rabbi and Presidents.

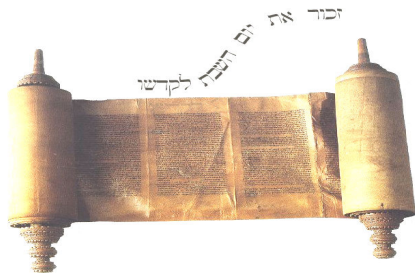

In order to preserve a sense of dignity and respect, please adhere to the following rules of decorum:

Cellular phones must be turned OFF before entering the synagogue premises.

Avoid conversation during the service.
